Personal Items of Interest About Topeka People and Visitors in Town.

Mrs. R. H. Delehay pleasantly entertained about forty ladies yesterday afternoon at a 4 o'clock tea.

The guests were received in the drawing room richly decorated in roses, hollyhocks and poppies, their brilliant hues softened and enhanced amidst a profusion of asparagus fern. At 4 o'clock the guests were seated at small tables in the library and drawing room, a name card at each place indicating the arrangement of the guests. A small bouquet of pansies, corn flowers, mignonette sweet peas or some one of the many species of roses ornamented the center of each table, the centerpiece doilies and frequently the service itself corresponded with the color of the flower.

Asparagus ferns, buttered over the white lace curtains, and the mantel was partially hidden behind quantities of these same feathery branches, through which were seen several vases filled with the velvety crimson black rose.

Mrs. Delehay gave her second tea this afternoon to about the same number of friends.

The seniors of Washburn college and a few invited guests enjoyed a boat ride on Soldier creek Wednesday evening, after much difficulty in obtaining the boats. The party arrived at Garfield park to find that the preps and sophomores, having heard of the seniors' pleasant plans for the evening, had arrived ahead of them and taken possession of every boat on the creek, with a firm resolve to hold them all evening, but the wise seniors leaving brother, Rev. CHASE IS PACIFIC.

The Ex-Warden Says He Has No Idea of Offering Armed Resistance.

LEAVENWORTH, June 7.—There was no sign of trouble at the penitentiary today and at noon S. W. Chase was still in possession. The board of directors met this morning and at once took up the monthly routine work.

J. Bruce Lynch, the new warden, went to Lansing with his deputy, D. W. Naill of Abilene, and Chief Clerk A. J. Schilling of Leavenworth early this morning and took rooms at the hotel.

He did not present his bond to the board, and no effort was made to recognize him as warden. It is hardly probable that Chase will be dispossessed today.

In an interview this morning, Chase said positively he had no idea of offering armed resistance, but would look to the courts for protection of his rights. He says when he has to give possession he will do so peacefully. Today his manner is very pacific.

MISS MORRILL'S LETTER.

She Writes to A. S. Embree in Relation to His Sermon.

Miss Grace Morrill, the governor's daughter, has written a letter to Dr. A. S. Embree, pastor of the First M. E. church, in defense of her father.

Dr. Embree has received many letters from all over the state congratulating him on his sermon in which he denounced Governor Morrill for his non-enforcement of the prohibitory law, but the letter he received from Miss Morrill was not of a congratulatory nature.

Dr. Embree was pastor of the Methodist church at Hiawatha before he came to Topeka and while there was an intimate friend of Major Morrill's family.

In her letter Miss Morrill says she regrets that Dr. Embree said unkind things about her father.

She says that she knows her father has always been a conscientious temperance man, and she regrets that one whom they had always regarded as a warm friend of the family should misjudge him. She is positive that Mr. Embree is mistaken in his position, and she feels keenly his severe criticism of her father.

DUMAS' SIDE LINE.

He Sold Beer and Whisky at His Hotel and Was Caught at It.

Lionel Dumas, a Frenchman with a distinguished name, was arrested by the police this forenoon charged with selling intoxicating liquors.

Dumas is the proprietor of the French hotel on Kansas avenue, opposite the Chesterfield hotel, and has been suspected for some time. Recently Chief Wilkinson procured by messenger from that place two bottles of beer and two of whisky.

At the raid today a little more than one case of bottled beer and one bottle of whisky were found and taken to the station.

At least 200 empty beer bottles were also found.

Dumas claims the stuff was for his private use, but the police think they will have no trouble in convicting him since he sold it to no less a personage than the chief.

Dumas' bond was placed at \$500 and was signed by Armstrong & Kassebaum and his wife. His case will come up in the police court tomorrow morning.

TODAY'S MARKET REPORT.

Furnished by the Associated Press to the State Journal.

CHICAGO, June 7.—Wheat started strong today at from 80 to 80½ for July compared with 79½ at last night's close. Cables were strong, outside domestic markets were up and crop reports from Kansas were very bad. There were liberal buying both local and from the country. July touched 81½, dropped to 80½ and reacted to 80½.

Corn also was firm. The corn belt was without rain and there was a fair out in inspection. July started 5½ up to 58½, sold from 53½ to 58½ and reacted to 58½.

Oats were firm on the weather and on the very large out inspection of today. July started 1½ lower at 30½, touched 31½ and reacted to the opening price.

Provisions started firm on higher prices for live hogs, but reacted later on liberal selling.

September pork opened 7½ higher at \$13.00 and declined at 12 o'clock to \$12.90.

September lard sold at \$6.82½ and ribs at \$6.47½.

Hogs—Receipts today 23,000; left over 13,000. Official yesterday 36,243; shipments 6,427. Market fairly active, prices steady to 5c higher. Light \$4.25@4.50; mixed, \$4.35@4.65; heavy \$4.30@4.70; rough \$4.30@4.45.

Estimated receipts of hogs tomorrow 15,000.

CATTLE—Receipts 3,000; including 1,500 Texans; Official receipts yesterday, 7,754; shipments 3,054. Market steady to stronger.

SHEEP—Receipts 6,000. Official receipts yesterday 12,071; shipments 3,396. Market quiet but steady.

CHICAGO MARKET LETTER.

Furnished by the Topeka Grain and Stock Exchange, Room 5, Columbian Building.

CHICAGO, June 7.—The wheat market opened from 1 to 1½c higher, was pretty strong nearly all day, but finally sold off on very heavy realizing sales by two or three prominent commission houses who were the principal buyers on the break earlier in the week. An advance of 5½ cents since Wednesday is tempting even to those who believe in much higher prices ultimately.

The rainy area is extending southward from the northwest and may reach the middle states with abundant showers. The possibility encourages the longs to accept profits. Exports were extremely light, but \$9,000 in wheat and flour from all ports, and there seems to have been little or no cash business done in Chicago today. The long stuff sold out today will be likely to make an easier market for a day or two until something sensational should occur to start it up again.

Corn and oats have had to contend against liquidation by longs. They opened strong and looked good for further advance but too much stuff was pressing for sale.

Provisions struggled to keep company with grain but it was a tame effort. They are not very strong looking.
